

Rides List & Calendar

from 16 April to 23 July 2017

www.acta.org.nz

Riders should be capable of the ride distance. Rides have generous breaks and are at an average pace of 15 to 20 km/hr, depending on terrain. You need a well maintained bike with good tyres and brakes and should wear high visibility clothing.

Sunday rides start at 9:00am and generally finish mid-afternoon and rarely after 5:00pm. Bring lunch, plenty of drink together with rain gear, a puncture outfit, a spare tube and a personal First Aid kit.

Please ring to let the leader know you are going and if you want to carpool (10c / km).
