

ACTA Club Shirts

ACTA has a new "branding" which is being rolled out across the website and posters that go out to cycle shops. We are not stopping there Di Michels has produced some transfers that can be placed on to your favourite shirt or when you purchase a new one.

New shirts can be purchased at **Cycle Auckland** at Devonport Wharf, or **Cyco** in Ponsonby. Let them know you are from ACTA and they will give you a reduced price!

You will need to fill out this form indicating what transfers you would like on your shirt and where you would like them positioned.

The large one will need to go on the back only as it can not be placed over the zip on the front.

The smaller transfer can go on the sleeve or the front.

The large transfer costs \$10.00 each

The small logo costs \$5.00 each

The "New Zealand" costs \$5.00 each
